

MV-50

LED Spotlight Kit Set

The NEW MV-50 LED Spotlight Kit set comprises of everything you need in a compact, lightweight package. The LED Spotlight is a very bright high CRI LED bulb that emits power at 50W. It is dimmable, runs on both AC adapter (included) or 2 pcs of NP-F batteries (optional).

Sets up in minutes, good to go in any location for use in photography or video. Apply the included barn door or fresnel for a more directional lighting, or use it as flood lighting.
